

# **Project Proposal For E-Commerce Application**

## **Overview and Goals**

Alphawizz Technologies (Pvt) Ltd is among the Top IT companies across PAN India. Alphawizz is a leading Development & Design expert company providing superior Software, Web, Mobile, and Creative design solutions and services to companies globally, with 24\*7 service facilities.

Our goal is to exceed our customers' expectations in the form of value, quality, and complete customer satisfaction. As we, Alphawizz, are providing an expertise facility as the client can directly coordinate with the Sales Manager. Along with that, for further support, the client can book appointments with the Sales Head, Technical Head, and Quality Manager.
